

**PINOT NOIR**  
(Light-medium)

- Lush
- Silky
- Low-tannins

**Sip & Swirl:**  
*Fresh cherry, pomegranate, raspberry and elegant spice*

**Serve:** slightly colder than room temperature, cool to the touch 55°F/7°C

**RED BLENDS**  
(Medium)

**Our Pick:**  
PromisQous Red Wine, California

**PromisQous:**  
Showcasing the best in the vineyard and cellar, PromisQuous wines are sourced from California's premium wine growing regions. Blending is applied with care to create deliciously drinkable wines affordable to enjoy every day.

**MERLOT**  
(Medium)

- Supple
- Rich
- Medium-tannins

**Sip & Swirl:**  
*black cherry, raspberry, coco, tobacco and vanilla*

**Serve:** at room temperature 65°F/7°C

**CABERNET SAUVIGNON**  
(Heavier)

**Our Pick:**  
Madison & Vine Cabernet Sauvignon, Private Reserve, California

**Cab is King:** An extremely popular varietal worldwide. Cabs from California tend to be full of fruit flavors, with comparatively a little bit less tannin and acidity than other growing regions, but also more alcohol.

**Our Pick:**  
Sonoma Coast Vineyards Pinot Noir, Freestone Hills

**Sonoma Coast Vineyards:**  
Sonoma Coast Vineyards crafts wines from a unique cold-climate growing area in coastal California, west of the Russian River Valley & a mere five miles from the Pacific Ocean.

- Complex
- Fruity
- Low-tannins

**Sip & Swirl:**  
*Ripe red and dark berry fruit, white pepper and crème de cassis*

**Serve:** just below room temperature, 60°F/7°C

**Our Pick:**  
Viansa Sonoma Merlot, Sonoma County

**Viansa Sonoma:** Viansa Sonoma is located in the heart of the historic wine growing region, the Sonoma Valley, California. Their wines are sourced only from Sonoma County vineyards, and sold exclusively at the winery or online directly to their customers.

- Structured
- Complex
- Bold-tannins

**Sip & Swirl:**  
*blackberries, cassis, plums, coco, tobacco & cedar notes and flavors*

**Serve:** at room temperature 65°F/7°C
